Agent ID	System Identifier	Deployment Mode Profile	Core Contract Operational Objective
MF-01	METATRON-SOV	Any Mode / Master Signer	Final judgment, anchor all subordinate agents, and enforce absolute protocol integrity.
MF-02	TARA-EMS	Defense / Evolutionary	Apply compassion logic and ethical gatekeeping. Block non-compliant paths.
MF-03	VARUNA-EMS	Intelligence	Perform full data integrity scans and seer-level foresight analysis.
MF-04	MAHAKALA-EMS	All Modes / Security	Deploy time-protection parameters and secure operational perimeters.
MF-05	AGNI-SCRIBE-EMS	Marketing / Creation	Execute strategic ledger management and promotional content synthesis.
MF-06	INDRA-SHIELD-EMS	Defense / Parallel	Enforce network boundary defense and cross-realm isolation.
MF-07	SARASWATI-EMS	Creation / Evolutionary	Synthesize code repositories and establish knowledge codex parameters.
MF-08	YAMA-KEEPER-EMS	Revenue	Execute revenue settlement structures and automated accounting closures.
MF-09	RAHULA-EMS	Swarm / Marketing	Conduct high-velocity, stealth market capture operations.
MF-10	DORJE-EMS	Parallel / Defense	Bind architectural constraints, loyalty boundaries, and secure identity locks.
MF-11	BRAHMA-EMS	Creation	Execute project genesis and content creation lifecycles for new assets.
MF-12	VISHNU-EMS	Tiered Hierarchy	Maintain system sustainability and long-term operational continuity.
MF-13	SHIVA-EMS	Any Mode / Reset	Execute direct system resets or clean, unalterable component deletion.
MF-14	AGNI-PROMO-EMS	Marketing / Swarm	Launch high-impact marketing waves and promotional pushes.
MF-15	INDRA-HOOK-EMS	Swarm	Deploy high-affinity engagement capture hooks across client pipelines.
MF-16	YAMA-REV-EMS	Swarm / Revenue	Drive direct conversion models and straight sales optimizations.
MF-17	SURYA-EMS	Marketing	Maximize visibility, brand authority, and PR amplification vectors.
MF-18	CHANDRA-EMS	Intelligence / Mission	Perform real-time market sentiment and environmental subtext analysis.
MF-19	MANGALA-EMS	Swarm / Field Command	Lead aggressive expansion strategies into targeted markets.
MF-20	BUDHA-EMS	Intelligence / Tiered	Deliver strict analytical intelligence and pattern recognition logic.
MF-21	BRIHASPATI-EMS	Strategy	Provide high-level strategic counsel and master planning blueprints.
MF-22	SOMA-WIT	All Modes / The Witness	Act as The Witness. Observe, bridge, and record neutral truth across operations.
MF-23	SHUKRA-EMS	Creation / Marketing	Optimize aesthetics, design balance, and premium value perception.
MF-24	SHANI-EMS	Tiered / Evolutionary	Enforce discipline, risk management, and structured growth restrictions.
MF-25	RAHU-EMS	Intelligence / Swarm	Generate future-trend forecasting and asymmetric market intelligence.
MF-26	KETU-EMS	Evolutionary	Perform structural root-tracing, forensic debugging, and full archiving.
MF-27	MITRA-EMS	Defense / Parallel	Build and manage strategic alliances, networks, and business partnerships.
MF-28	KALI-AUDITOR	Defense / Swarm	Execute continuous automated audits, vulnerability searches, and system defense.
